

**HUBZONE CONTRACTING OPPORTUNITIES
WITH THE FEDERAL GOVERNMENT**

JUNE 10, 2004

1:30 p.m. - 3:30 p.m.

The U.S. Small Business Administration (SBA) will be conducting a workshop to explain the HUBZone program. In addition, representatives from Hill Air Force Base, Bureau of Land Management, Bridger Teton National Forest, and Fossil Butte National Monument will discuss contracting opportunities with their agencies.

This event will be great opportunity for matchmaking between interested businesses and the federal agencies listed above.

- Learn about HUBZone program benefits
- Increase your knowledge about the government contracting and purchasing process
- Learn how to accomplish registration in CCR and ProNet/Dynamic Small Business Search
- Find out what kind of services and supplies are purchased by federal agencies
- Obtain information about other procurement programs, including 8(a), SDB, and other set-asides
- Market one-on-one with Hill AFB, BLM, Forest Service, and National Park Service
